

The Holy Ghost

Puppet: (*scared*) Hurry! Run! Everybody get outta here! I'm scared! Heeeeeeeelp!

Adult: Wait a minute; what has got you so frightened and upset? What's the matter?

Puppet: Just a few minutes ago, I was in the sanctuary, and Pastor said a ghost was going to take over the service. A ghost is taking over and taking hostages! Pastor said it was going to take control. I'm skeeered!

Adult: What? Are you sure? Something is not right here. Calm down, take a deep breath, and try to remember what pastor said.

Puppet: He was praying and then he said that the ghost was going to take complete control of the service. The Holy Ghost! Pastor invited that ghost and even asked Him to take over. Wahhh why would he do that? Now a ghost is coming!

Adult: Oh my goodness! Now everything makes sense. The Holy Ghost! The Holy Ghost is God's Holy Spirit. The Holy Ghost is God.

Puppet: God's Holy Spirit? God?

Adult: Yes! You do not have to be afraid. God's Holy Spirit is who lives inside of us when we ask Jesus into our hearts. God's Holy Spirit is who lets us know when we are doing something wrong.

Puppet: When I do something bad, my tummy feels all funny inside.

Adult: That's the Holy Spirit stirring up your feelings so you won't do that bad thing.

Puppet: Have you ever seen the Holy Spirit?

Adult: No, but you can feel Him inside of you. He guides you to do what is right. He gives you courage and makes you brave so you can tell others about Jesus and boldly say no to all the wrong things of this world even when others are doing them.

The Holy Ghost

Puppet: Wow! The Holy Spirit is the ghost Pastor was talking about. The Holy Ghost! He does not sound scary at all.

Adult: No He doesn't. In fact, if you are scared, maybe at night, alone in your room, in the dark, you can ask God to take away all your fears, and the Holy Spirit will make you brave! Just as The Holy Spirit can change you into not being afraid to tell others about Jesus, The Holy spirit can make you brave in other situations too.

Puppet: That is so cool! God's Holy Spirit is alive inside of us! I looooooooooove it!

Adult: Because God loves us so much, He sent His Holy Spirit to guide us, help us, and to give us the power we need to make the right choices even when the choices seem hard.

Puppet: Thanks a heap! I am going to go back into the sanctuary and watch The Holy Ghost take control of the singing, dancing, and the words pastor is preaching. I bet it is going to be exciting! You should ask the Holy Spirit to take control in here too. Bye everybody!

Adult: That's a good idea. Goodbye puppet! Enjoy the service.

(Pray for The Holy spirit to come and take control of the service)
